

2025 Cornell Guidelines Order Form

The following is the estimated price list for titles in the 2025 Cornell Guidelines series. Guidelines will be ordered once available from Cornell University. CCE-Chautauqua is offering the print version only of the guidelines listed below. Please fill out this order form and mail in your payment if you wish to order guidelines at this time. Don't forget to mark your delivery preference - if you are picking up or if you would like us to ship your guidelines to you at your home or business—there is an additional \$8 fee per book to cover shipping. We will let you know when the guidelines are available for pick up. If you are interested in ordering an electronic version, or for the most up-to-date pricing, visit <https://psep.cce.cornell.edu/guidelines/>

Call our office at 716-664-9502 for more information.

Please note: Guidelines are not included in program subscription costs.

What subscribing with Cornell Cooperative Extension of Chautauqua County can do for you...

Subscribe TODAY!!

Cornell Cooperative Extension of Chautauqua County invites you to subscribe to our Agriculture Program for 2025. We appreciate your support in our mission to put knowledge to work in pursuit of economic viability, ecological sustainability, and social well-being to help agricultural enterprises thrive in our rapidly changing world.

When you subscribe to the Agriculture Program, you will receive the following benefits:

- THREE exceptional regional team options! Please be sure to select which areas are of interest to you, so we can send you the most relevant information.
- A monthly subscription to the *Chautauqua County Extension Connection* newsletter which includes upcoming event announcements, is complimentary for all subscribers, via email or postal mail (please indicate on the subscription card).
- Newsletters, mailings and email blasts pertinent to your interests with current agriculture information.
- Access to Cornell Cooperative Extension educators and program specialists providing assistance with production and management issues and linkage to Cornell University research and resources.
- One complimentary business card size ad in one issue of the *Chautauqua County Extension Connection*. (Learn more by calling Lucia Conti at 716-664-9502 ext. 209).
- 10% discount on full analysis soil testing done through the Jamestown Office.
- FREE listing on CCE Chautauqua Grown (Farm-to Table) website.
- Voting privileges to help determine board and program leadership. (Must be at least 18 years old and a Chautauqua County Resident).
- Further development of Chautauqua County Agriculture through programming support.
