

CLUB BANNER REQUIREMENTS

Don't forget to be working on your club banners to be displayed in the 4-H Building at the 2016 Chautauqua County Fair. Banners should be 60 inches wide and 40 inches high. A 2-inch top hem and a 1 inch bottom hem for hanging rods is included in overall size. They should be two sided fabric with your club name on both sides. Letters should be at least 9 inches high to be clearly visible to fairgoers. Felt iron-on letters, well done, are acceptable. Other decorations can be used as space permits. Banners will be for atmosphere only. Members should make these if possible, with necessary guidance from a leader.

Club banners **MUST** be received in the 4-H Office in early June to insure display in the 4-H Building. If you have any questions, please contact the 4-H Office 664-9502 x 214.
